

## 2008 Home Efficiency Rebate

Mail drop 340117  
 P. O. Box 1771  
 San Antonio, Texas 78296-1771

This rebate is available to CPS Energy **Residential Customers** and applies to energy efficiency projects completed on homes serviced by CPS Energy. **Starting January 1, 2008 to December 31, 2008 – (or while funds last)**, CPS Energy offers rebates for energy efficiency home improvements. When you use a CPS Energy registered contractors, you can qualify for cash rebates. (See list at [www.cpsenergy.com](http://www.cpsenergy.com)). Install more than one measure and earn additional rebates, up to \$2,500. **Submission of application does not guarantee a rebate. Applications must be completed and submitted within 30 days of installation of improvements. Please allow 8 to 10 weeks after receipt of all documents for the rebate to appear as a credit on your CPS Energy account.**

To obtain further information or to check the availability of funds please check the CPS Energy website at [www.cpsenergy.com](http://www.cpsenergy.com) . If you need further information you can call our help-line at **210-353-2SAV**.

**THIS WORKSHEET IS TO BE FILLED OUT BY CONTRACTOR AND ATTACHED TO THE APPLICATION WITH THE INVOICE.**

NOTE: Duct repair and replacement rebates require pre and post testing of duct efficiency. Rebates for ceiling and wall insulation, radiant barriers, "cool roofs" and spray-foam insulation will have all square footage measurements checked with Bexar County's property tax description of square footage of residence before rebates are awarded.
